Scope and content

This collection contains publications, announcements, administrative papers, and ephemera associated with the University of Miami School of Architecture. It includes an executive summary, *Seventy + Years of Architectural Education at the University of Miami*, by Prof. Ralph Warburton, which consists of photocopied documents of administrative records compiled mostly from University Archives. They are arranged chronologically from 1950-2002 in a ring binder. The collection also contains correspondence, newsletters, graphics, announcements, invitations, project files, and SoA related ephemera.
