**Dates of creation,  
revision and deletion:**

---

## Scope and content

---

The Historic Preservation Resources Collection consists of publications produced by local and national historical societies recommending strategies for the preservation of historic architecture to owners and architects. The pamphlets, books, booklets and papers in this collection contain historical information, drawings and photographic examples of historic buildings, tradition, and details, case studies, preservation briefs, local preservation ordinances and essays on historic preservation theory.

---

## Notes

---

### Title notes

### Arrangement

Pamphlets are stored in boxes according to geographic location (city/state).

### Other notes

- **Publication status:** Published
- **Description identifier:** ArchonInternalCollectionID:1084
