## Scope and content

---

This collection contains the papers of Dr. Roger W. and Frances S. Arnold. Dr. Roger W. Arnold was a doctor who practiced Naprapathy and massage, an active member of the First Presbyterian Church of Miami, and a World War II air warden. Frances S. Arnold was a soprano soloist in churches, programs, and music clubs, an editor of the Florida Teacher Magazine, member of the Florida Historical Society, and 1948 president of the Mothers of Sigma Chi Coral Gables Chapter. She was active in the research and development program of the University of Miami, and in local music clubs. The papers document their activity in all of the above, and also contain materials (i.e. brochures, directories, pamphlets, photographs) on the University of Miami, Coral Gables, Coconut Grove, and Miami at large.
