## Scope and content

---

Leola G. Hartwell was an architect who resided in New Jersey and Miami. The L. G. Hartwell Collection consists of materials documenting her architectural design work primarily in the greater Miami area, but also some in other parts of the state and the country at large. Among projects that Hartwell worked on include the construction of Miami Dade Community College South Campus, a number of different constructions for the City of Miami, and an Opa-Locka neighborhood facility project.
