Administrative history / Biographical sketch

Note

Charles Lewis Morgan arrived at the University of Miami as Acquisitions Librarian in 1947 and later served as Assistant Director for Special Collections. Morgan contributed to the growth and expansion of the Otto G. Richter Library, and assisted in the development of collections on Florida, the Americas and the Soviet Union. He also donated an extensive personal collection of monographs, serials and other materials relating to the poet, Wallace Lewis Stevens.

In addition to these contributions, Morgan wrote several poems. He composed poems in both English and Spanish from 1954 to 1960.

Scope and content

The Charles Lewis Morgan Papers consist on one box of materials and total on-half cubic foot of files. The Papers contain copies of several poems, as well as "In Memorium," and correspondence dated 1969-70. "In Memorium" includes addresses given by faculty during a memorial service for Morgan in addition to a selection of Morgan's poems. Correspondence discusses the possible publication of Morgan's works and contributions to the memorial service.
