Administrative history / Biographical sketch

Note

"The Historic Black Church Oral History Film Project represents an unprecedented campus-community partnership intended to preserve the rich cultural and social history of faith-based communities of color in South Florida, support university-wide interdisciplinary collaboration, and educate a new generation of high school, college, and graduate students about the crucial leadership role of Historic Black Churches in Afro-Caribbean-American communities." UM Law School Center for Ethics and Public Service (CEPS).

Scope and content

"The Historic Black Church Oral History Film Project represents an unprecedented campus-community partnership intended to preserve the rich cultural and social history of faith-based communities of color in South Florida, support university-wide interdisciplinary collaboration, and educate a new generation of high school, college, and graduate students about the crucial leadership role of Historic Black Churches in Afro-Caribbean-American communities." -UM Law School Center for Ethics and Public Service (CEPS). This collection includes DVDs of the "Historic Black Church Oral History" films, publications documenting the project, flyers, ephemera, and invitations for community screenings.
