## Scope and content

---

George Augustus Moore (1852–1933) was an Irish novelist, short-story writer, poet, art critic, memoirist and dramatist.

The George Moore Collection contains correspondence, an undated manuscript titled "Scenario," the galley proofs with corrections for his 1885 novel *Mummer's Wife*, and a typescript for his 1894 novel *Esther Waters*.

The correspondence consists of a series of letters and telegraphs between Moore and New York playwright and writer Edward Knoblauch (1874-1945), a letter from Moore to a "Nachey," several letters without a recipient name, two letters from D. M. Beth at Riverside Press Unlimited, a book printer from Edinburgh, discussing corrections on Moore's 1921 novel *Heloise and Abelard*.
