Administrative history / Biographical sketch

Note

The College of Arts & Sciences Magazine is produced in the fall and spring by the College of Arts and Sciences at the University of Miami. The purpose of the magazine is to increase awareness of the college's activities by telling the stories of faculty, staff, students, and alumni.

Administrative history / Biographical sketch

Note

The College of Arts and Sciences, originally called the College of Liberal Arts, was one of the first two academic units of the University of Miami. It opened in the fall of 1926 with the aim of covering all subjects except music and art and is now the largest college of the University.

The College was established as a community of scholars and students that to this day encourages the quest for a deeper understanding of the human experience and fosters a personal commitment to lifelong learning, intellectual growth, and the enduring values of the liberal arts.

Scope and content

This collection contains miscellaneous records, reports, and publications of the College of Arts and Sciences from 1938 to 1990. It also includes various records of the Medical School from 1946 to 1969. The finding aid attached was created in May 1994.
