Administrative history / Biographical sketch

Note

The College of Engineering (previously named the School of Engineering) was established in 1947. The College is housed in the McArthur Engineering building, a 120,000-square-foot complex with state-of-the-art laboratories and facilities, which is comprised of five departments that offer BS, MS, PhD and executive education programs in Biomedical Engineering; Civil, Architectural and Environmental Engineering; Electrical and Computer Engineering; Mechanical and Aerospace Engineering; and Industrial Engineering. The College of Engineering is recognized for the quality and diversity of its faculty, students, and curricula and is noted for educating tomorrow's technology leaders for career success.

Scope and content

This collection contains official records and various reports of the School of Engineering from 1952 to 1988.
