## Scope and content

---

The website "Voices of Andrew" provides an online archive of 66 oral history interviews with people who lived through Hurricane Andrew and experienced the subsequent recovery process in the first months after the storm.

The interviews were conducted by undergraduate and graduate students of the University of Miami under the supervision of Professor Eugene F. Provenzo, Jr., Department of Teaching and Learning, School of Education. The web site lists 66 names of the interviewees as well as 63 transcripts and 41 audio recordings of the interviews available online.

The website was developed in collaboration with the Otto G. Richter Library.
