Physical description: Boxes

Language: English

**Dates of creation,
revision and deletion:**

Administrative history / Biographical sketch

Note

University Honors (summa cum laude, magna cum laude and cum laude) are determined by a minimum GPA unique to the school or college from which the student is graduating. University honors only applies to undergraduate students.

Administrative history / Biographical sketch

Note

The University of Miami Press published its first book, 'Atlantic Coral Reefs' by F. Walton Smith, in 1948. The Business Services of the university took over the operation in 2002, but new titles have not been published since then. There are 315 University of Miami Press publications listed in Richter's online catalog.

Scope and content

This collection contains records from the University of Miami Press, including book reviews, correspondence, and promotional files.
