Summary information

Repository: University of Miami Cuban Heritage Collection

Title: Vertical Files: Cuban Diaspora

ID: CHC0231

Physical description: Boxes

**Dates of creation,
revision and deletion:**

Scope and content

The Vertical Files: Cuban Diaspora is a collection of ephemera, clippings, articles, and other items collected about various topics related to the Cuban Diaspora. These files range in dates and topics, but are organized by name of the subject that the materials represent.

Notes

Title notes

Immediate source of acquisition

The materials in the Vertical File: Cuban Diaspora have been donated to and collected by the Cuban Heritage Collection over time. This collection receives frequent additions and is expected to continue growing.

Restrictions on access

This collection is open for research.

Conditions governing use

Requests to publish or display materials from this collection require written permission from the rights owner. Please contact chc@miami.edu for more information.

Related material

Vertical Files that related to art, galleries, and artists were separated into the the CHC5370 Artist Files collection.
