**Title:** Hady López Papers

**ID:** CHC0236

**Date:** 1944-2002 (date of creation)

**Date:** 1944-1962 (date of creation)

**Physical description:** Boxes

**Language:** English

**Language:** Spanish

**Dates of creation,  
revision and deletion:**

---

## Scope and content

---

The papers document research into the nutritional properties of Cuban plants, which was conducted in Cuba between 1944 and 1962 by Hady López who was a member of Fundación de Investigaciones Médicas in Havana, Juan Navia and other researchers. The papers also include copies of published works on tropical anemia written by Dr. Rubén López-Toca. Materials consist of articles, booklets, reports and a poster.

---
