## Administrative history / Biographical sketch

---

### Note

Sergio Andricaín was born in Havana, Cuba, in 1956. He is a journalist, literary scholar, editor and writer. He studied sociology at the University of Havana and in Costa Rica. He was a researcher at the Juan Marinello Cultural Center in Cuba, and in 1991 a consultant for the National Reading Program in Costa Rica.

During the 1990s, he was an editor of the UNESCO publications *Colección biblioteca del promotor de lectura* (1993) and *Niños y niñas del maíz* (1995), as well as the children's magazine for Colombia's Batuta National Foundation for Youth and Children Symphonic Orchestras. As a writer, he has worked for several newspapers and magazines in Cuba, Costa Rica, Colombia, Spain and the United States. Along with Antonio Orlando Rodríguez, he created Fundación Cuatrogatos, a nonprofit that promotes Spanish-language reading and cultural and educational projects in Miami.

## Scope and content

---

The Sergio Andricaín Collection contains original drawings and vignettes created by Cuban artists for children's books. Many of these drawings were collected by Sergio Andricaín (b. 1956) or were created to illustrate the books edited by him.

The paintings include watercolors, pencil sketches, oil, and mixed technique. The subjects of the drawings are fairies, clowns, witches, flowers, and other fantastical characters.
